SCHOOLS NEWSLETTER

Welcome to our schools newsletter. It's wonderful to be able to undertake all our usual activities again in schools, albeit in a Covid safe, socially distanced manner! In this newsletter we have lots of ways to help you celebrate the return of music!

Introducing Bimbi Shaw-Cotterill

Hello! My name is Bimbi and I have sung for as long as I can remember, from my primary school teacher encouraging me, through secondary school and then onto a choral scholarship at University level, and then studying at the English National Opera. This led onto a singing career. Without my primary school teacher though, none of this would have happened. I am therefore hugely passionate about passing on this passion to pupils wherever they may be.

As Singing Development Coordinator and Vocal Animateur for Berkshire Maestros, I am fortunate to meet and sing with amazing pupils, through workshops with primary schools, running school and area choirs, along with my experience of directing county choirs. I am here to support you in any way you need to keep your pupils singing. Let's share ideas and experience.

SINGING PICNICS

FREE

Have you missed singing over the last year? We definitely have, and we know a lot of children have missed out on their usual performances such as our Junior Music Festivals, and on making lots of wonderful music together.

As this is a year like no other, we are launching an event like no other - Singing Picnics! This will be an opportunity for your school to get back to singing in an accessible and Covid-safe way this summer term. The aim is to have fun and bring together your school community and embrace the joy of singing.

To register for more information, [click here](#) - we would also strongly encourage you to attend our webinar if you can, as this will be a great opportunity to learn all the songs and ask any questions.
