# SCHOOLS NEWSLETTER

Welcome to our schools newsletter, the first of 2022 which we are hopeful will be full of making music!  
Please read on for all our exciting updates!

## JUNIOR MUSIC FESTIVAL

Our Junior Music Festivals are back! It was so wonderful to run our Reading event last term albeit with a slightly changed format under the COVID restrictions at the time. This term is the turn of West Berks schools and we are planning for this to run as normal at The Anvil on 29th & 30th March unless further restrictions are put in place nearer the time. Ticket info has gone out to schools so do pass this onto parents and we look forward to seeing you there!

## MAKING MUSIC POST COVID

Music Mark have updated their guidance supplements for music education providers and in England and Wales you can carry out all musical activities normally both in the classroom and outside of school hours. This includes singing and playing blown instruments. To read the full information, please click [here](#). If you need any support with resuming music activity in your school, then please do reach out. We want to ensure music is not being missed out of the curriculum for all children and young people.

## MUSIC NETWORK MEETINGS

We are delighted to be running whole county network meetings this term as follows:

Middle & Secondary School Meeting Tuesday 1st March 4pm-5pm  
First & Primary School Meeting Wednesday 2nd March 4pm-5pm

The meetings will run online so that they are more accessible for teachers and there will be lots of opportunity to interact and contribute! Suitable for music teachers and subject leaders at all key stages. Please email [@Emma Stoffer](mailto:@Emma Stoffer) to receive the zoom log in.

## CPD TRAINING IDEAS

We would like to know what you would like to see in CPD training from us! As part of the National Plan for Music, we are here to offer CPD to school staff, particularly in supporting schools to deliver music in the curriculum. We would like to know therefore, what you are interested in/would like support in and we can tailor our training packages accordingly.

Please reach out to [@Emma Stoffer](mailto:@Emma Stoffer) if you have any ideas.

# FINANCIAL ASSISTANCE FOR STUDENTS

Did you know that we have several ways of financially supporting students to learn a musical instrument? Schools can play a vital role in identifying students that they know have a desire to learn/show talent but cannot afford the lesson fees. Please see below for more information and do get in touch with [finance@berkshiremaestros.org.uk](mailto:finance@berkshiremaestros.org.uk) if you have any questions.

## Supporting pupil premium students

We provide a discount of 75% on our standard group lessons which means a full term of lessons only cost £27.50. All we need is confirmation from you that a student is in receipt of PPG and the discount will be applied. We can then invoice the parent or guardian or if you would like to support the pupil with their music lessons we can invoice school directly.

## Supporting families on low income

We encourage families on a low income to apply for fee assistance. This would provide the same discount as for pupil premium students.

## Greenham Trust

This is a termly bursary currently set at £60 for pupils living in and attending a West Berks primary school. To qualify the student must not be in receipt of pupil premium and gross monthly household income should be below £3900. For more information contact [gtbursary@berkshiremaestros.org.uk](mailto:gtbursary@berkshiremaestros.org.uk)

## Did you know?

Berkshire Maestros will be 40 later on this year, watch this space for what we are going to do to celebrate!
