

BERKSHIRE

Maestros

Become a Berkshire Maestros Trustee

Berkshire Maestros is the lead organisation of Berkshire Music Hub, a charitable organisation offering music learning opportunities to children, schools and adults across Berkshire.

We are looking for a new trustee to both join the board and to be an active member of the finance committee. We are particularly looking for someone who has a background as a finance professional in a commercial environment. Previous experience of charity finances would be beneficial but is not essential.

Are you:

- Passionate about the potential of music to change lives?
- Driven to make a positive difference?
- Willing to lead discussions and challenge ideas?
- Able to commit to 6 meetings per year at 6pm on a Tuesday in Reading (plus typically 6 finance committee meetings per year - normally online)?

The organisation is committed to expanding the diversity of Board members, particularly as regards gender, age, disability and ethnicity. Experience as a Trustee is not essential, and training can be provided.

Although the position is unremunerated, reasonable expenses can be paid.

For more information, including a chat with a current trustee, or to apply please email jobs@berkshiremaestros.org.uk.

Closing date for applications is 24/04/2022
