Welcome - Schools Brochure 22/23

Welcome

Berkshire Maestros as lead partner in the Berkshire Music Education Hub, is delighted to continue supporting schools to ensure that all children have access to music as part of a broad and balanced curriculum.

We are passionate about opportunities for all and seek to ensure that our offering to schools not only supports as many children and young people as possible but also supports the workforce through a variety of CPD training sessions.

We welcome ongoing conversations with schools and have dedicated staff to support these conversations. Our aim is to ensure that our offering is flexible so that the focus can be on education.

We have kept price increases to a minimum this year to recognise the financial strain that we are all under because we stand for education, not for profit.

Dawn Wren
Chief Executive

New for 2022

We have a new CPD offer for school teachers, either Heads of Music, music coordinators or non-specialists who would like to gain confidence in delivering different musical activity. Please read more on Pages 7&8.

'Listen Up' week (schools performances)

The week commencing **30th January 2023**, will see a new opportunity for schools to access **free** live music performances from our team of professional musicians. There will be a range of music with opportunities for lots of interaction from your students. Your students will:

- Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians. (National Curriculum for Music KS2)
- Experience positive emotions associated with hearing live Classical Music. (Apollo Music Projects 2021)
- Experience inspirational input from professional musicians (National Plan for Music Education.)

Our groups will give a 40 minute interactive performance to your EYFS - KS3 students.

To book a **FREE** performance from one of our staff groups then please contact your School Development Manager using the contact details below. Book fast as spaces are limited!

Intent, Implementation and Impact

Intent

We believe that every child should have access to the highest quality music education as part of a broad and balanced curriculum. Music promotes creativity, team work, perseverance, communication skills, and self-discipline.

A high quality music education has been shown to benefit academic progress in all other areas of the curriculum, for students of all abilities. Participation in musical activities benefits wellbeing, increasing the release of feel-good chemicals in the brain and reducing stress and anxiety.

Music is a practical subject, and all pupils should be given the opportunity to sing, play musical instruments and create their own music. Learners benefit from listening to the very best that every genre of music has to offer. The joy of listening to and participating in live performance creates memories that last a life time, and should be experienced by all.

A carefully planned music curriculum ensures that all pupils build their skills and knowledge, allowing them to perform, compose and listen with increasing insight.

Implementation

Our teachers go through a rigorous recruitment process to ensure that they have the subject knowledge and skills to deliver an excellent music curriculum.

They have access to regular CPD that is tailored to their needs and enables them to continually improve their music teaching and meet the needs of all learners. Teachers are observed regularly and our peer mentoring programme enables teachers to learn from one another and develop best practice.

All teachers ensure that learning is planned to meet Maestros Curriculum Objectives, and assess pupils against these criteria. Teachers are enabled to work together to share and develop resources.

Our Singing Strategy Development co-ordinators provide training and resources to ensure that high quality singing is an integral part of all music teaching.

Impact

Assessment in music should be holistic, and take account of a wide range of musical skills and understanding.

Teachers assess pupils' progress by observing their participation in a range of learning activities in which they have been singing, playing, performing, composing, and listening. In addition to progressing in their musical attainment, pupils will develop in confidence, wellbeing and social interaction.

Video and audio recordings provide evidence of progression. Progress is made over time, and evidence from a series of assessments are used to show this.

Students will re-visit skills many times over a key stage, and as challenge increases, may sometimes appear to be dipping in their attainment. However, as they consolidate new skills it will become apparent they have progressed further.

Music Mark School Membership Award

FREE

We are delighted to be able to nominate Berkshire schools for FREE membership of Music Mark. Benefits include:

- Access to online resources including guidance, teaching resources, and ideas to support the delivery of music
- Access to free online training events
- Use of the Music Mark school logo on your website, stationery and other media

To be nominated, please follow the steps below:

bespoke provision to meet your needs

East Berks: markbassett@berkshiremaestros.org.uk
Reading/West Berks: emmastoffer@berkshiremaestros.org.uk

Instrumental/vocal lessons

Your students can benefit from lessons in a huge range of musical instruments, covering most styles, genres and interests. We teach both classical and contemporary instruments/voice and our teachers are well trained in supporting all students. There are two routes available for instrumental lessons.

Parent Paid

- Parents register direct with Maestros and are invoiced directly by us
- Individual or group lessons are available
- Our teachers contact the school to arrange a suitable time and day to teach the lessons during the school day
- Students entitled to Pupil Premium or on low incomes can apply directly to us for fee assistance

Buy In

- School buys in a set number of hours for instrumental tuition and agrees a time and day with the School Development Manager
- Pupils can be taught in whole classes, large or small groups, or individually, as agreed with the school
- Berkshire Maestros invoices the school directly
- School is free to pass on the cost to pupils if they wish

£55 per hour

Curriculum Teaching - EYFS to KS5

Curriculum

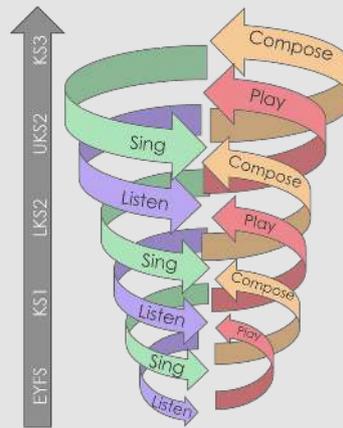

Our qualified music teachers can deliver your music curriculum and are able to provide PPA cover. We ensure that your students cover all elements of the national curriculum, and much more! Schemes of work will be tailored to the needs of your setting, and our teachers will work closely with you to ensure music is an inspiring part of your children's learning experience. [Click here to see our Curriculum Map](#)

Curriculum

Curriculum Spiral

Progression through units of work constantly re-enforces key skills and knowledge in performing, listening, singing and composing.

Students revisit, refine and extend their skills and knowledge in each curriculum area.

£3705 for 39 weeks
Half day sessions

Live Music - EYFS to KS5

Live performances by our talented musicians. Our groups can perform a range of repertoire from film favourites, rock & pop to classical pieces, with lots of opportunities for interaction from your students. This will enable your students to:

- Listen with concentration and understanding to a range of high-quality live and recorded music (NC KS1)
- Learn to identify the interrelated dimensions of music
Experience positive emotions associated with hearing live classical music (Apollo Music Projects, 2021)
- Experience inspirational input from professional musicians (National Plan for Music Education)

Curriculum Support

Charanga

Charanga is an award winning, cloud based digital music resource for schools and teachers, with exciting online learning platforms for children and young people.

up to 99 pupils
£120

Musical School

The award-winning, modern-day resource for **primary** music, featuring:

- A complete scheme to teach the national curriculum for music
- A growing library of songs, topics, instrument courses and creative apps
- Support for assessment, SEND and personalised teaching and learning
- Resources to support the Model Music Curriculum

100 to 299 pupils
£195

300 pupils plus
£295

Charanga Training

We can provide bespoke training for schools that support them with the elements of Charanga they most want to work on.

1.5 hour training
session £160

GarageBand

Explore the musical world of GarageBand, experimenting with virtual instruments, voice recording and loops before structuring your ideas into a composition to export and keep! Easily tailored to different class topics, we can provide half day or full day workshops or longer projects to suit your needs. Suitable for children in Year 4 and above.

2 hour workshop
£210

Focus on Sound

Focus on Sound is a great way to help you deliver the **KS3 music curriculum** – it offers online resources to support pupils in learning a whole range of music skills, and is available across multiple devices. Teachers can also set and create their own custom material. The UK version supports teaching from KS3 to A Level and includes coverage of GCSE set works and topics.

Unlimited pro
£350 plus VAT

We are able to offer discounted unlimited pro licences for just £350, which give every student in your school their own log in details. If you already have a licence and would like to upgrade, we can organise this as well.

Early Years Foundation Stage

Pantomimus Music Projects

Pantomimus is a creative approach to music making for EYFS/KS1 children. We provide a pop-up screen with an engaging and open-ended painting. The screen helps to focus the children's attention on the musical activities and can be used to stimulate imagination and as a starting point for exploration of themes and ideas.

**£600 for 5 weeks
Half day sessions**

Musical activities are devised to develop musicianship through movement, singing and playing instruments. Teachers and other adults in your setting are encouraged to join in so they can develop skills to carry on musical activities after the project.

**£1000 for 5 weeks
Full day sessions**

The emphasis is on enjoyment and playful learning while getting actively involved. This mostly non-verbal approach to music making has been developed to engage all children whatever their culture, language and educational needs. It is truly inclusive.

[Click here](#) to see Pantomimus in action.

Workshops

We can offer half day and full day workshops for your students. Workshops can be stand alone, or part of a series of sessions over several weeks.

**Prices starting from
£210
2 hour workshop**

For EYFS: MUSIC MAKERS

Our Early Years specialist will bring a range of inspiring percussion instruments and props to your setting and join in with the children's creative play. This is a child-led experience so children are free to engage as much or as little as they like, and we can be both indoors and/or outdoors, singing and playing instruments. The session also includes a teacher-led group time where children have an opportunity to meet special instruments and to sing together.

For EYFS and KS1: MUSIC TIME!

Bespoke music workshops based on a theme of your choice, led by experienced musicians! These workshops include a range of songs, games, opportunities to play percussion instruments, as well as a chance to listen and respond to a specially chosen piece of music. Children will develop their singing voices, learn about pulse, rhythm, dynamics and tempo, and have fun.

Children will develop their singing voices, learn about pulse, rhythm, dynamics and tempo, and have fun.

Starting from:
2 hour workshop
£210

For KS1: MUSIC GAMES

Learn a variety of fun singing games to give your school a musical boost! The games promote a broad range of musical skills from developing singing voices to following a beat, and they also help to develop confidence and social skills such as turn-taking or following instructions. For maximum benefit, class teachers and other staff should attend with the children so that everybody can remember and continue to play the games after the workshop.

For KS1: STEEL PAN MUSIC WORKSHOPS WITH CULTUREMIX

Taster workshops are an ideal way to introduce steel pan music to your school through a day of hands on introductory workshops with tutors and a full set of instruments provided. Programmed to suit your school timetable each workshop covers the history and origins, basic playing techniques and learning a simple song for an optional assembly concert.

East Berks: markbassett@berkshiremaestros.org.uk
Reading/West Berks: emmastoffer@berkshiremaestros.org.uk

Key Stage 1

String Band projects

Our band projects are a great way to provide instrumental tuition to your students at an affordable cost. Students will choose from different instruments within the chosen family. Our teacher will visit the school for two hours a week, during the school day, to deliver the tuition. This project includes:

Groups of up to eight students for each instrument

Term 1 - group instrumental lesson for 30 minutes per group

Term 2 - group lessons continue, with students working on individual instrumental parts for a band performance in the summer term

Term 3 - students rehearse in bands to prepare for a final performance at the end of term

The year ends with a massed band performance by the whole group

Schools can pass on the cost of tuition to parents if they wish

After School Music Clubs

We can offer after school music clubs that teach musical skills through fun games, playing instruments and singing. These can run at your school on a weekly basis.

Choirs

One of the easiest and most accessible ways of enhancing and increasing musical participation in your school is to offer a school choir. Whether this is during the lunch break, before or after school, our experienced choir leaders can help you get your choir started, support your existing choir development or lead the choir on your behalf.

Musicians for Assemblies

The opportunity to hear and sing alongside live musicians has been highlighted as being of key importance in pupils' creative development. Move beyond pressing 'play' on a backing track in assembly with our team providing a live accompaniment for an enhanced musical assembly.

School Productions and Events

School productions are often the highlight of the school creative calendar. We can help support and enhance your performances in many ways, from developing the chorus and solo singers, providing a pianist and musicians for a 'pit band' or even directing the whole show.

East Berks: markbassett@berkshiremaestros.org.uk
Reading/West Berks: emmastoffer@berkshiremaestros.org.uk

Key Stage 2

In2Music

One, two or three term whole class instrumental projects that cover the national curriculum for music. Each term is clearly mapped to Maestros Curriculum objectives to enable you to embed In2Music in your music curriculum. Your instrument hire includes a whole class set, and pupils are encouraged to take their instruments home to practise.

The recently published Model Music Curriculum highlights the mandatory requirement for students to be offered a whole class instrumental programme for at least one term. This is part funded by the DfE subsidy offered in Term 1.

Term 1 – The Foundations

- Develop basic technique and posture on the chosen instrument
- Read, perform and create simple 4 beat rhythmic patterns
- Sing and play simple pieces by ear and from notation
- Hear live performances by the music teacher
- Complete Arts Award Discovery

Term 2 - The Performer

- Play pieces with more than one part as a member of a class band
- Improvise short rhythmic and melodic patterns vocally and on the instrument
- Read pitch notation with increasing confidence
- Listen to recorded and live music from a range of genres
- Perform as part of a massed ensemble with other schools

Term 3 – The Creator

- Further develop instrumental skills
- Listen to and play music from a variety of genres, and use this to inform creative decisions
- Explore music from different times, places and cultures by listening, playing and singing
- Create rhythmic and melodic ideas and combine them using music technology to create and record a class composition

Arts Award

Arts Award Discover is a nationally recognised and accredited framework of qualifications. Discover is the intro level award. Children will collect evidence in a log book during the course of the term which will be moderated by Berkshire Maestros, and each student who completes this will receive a certificate.

Offered to all schools as part of the programme, but you may opt out. Find out more at www.artsaward.org.uk.

Curriculum

Key Stage 2

Curriculum

Workshops

We can offer half day and full day workshops for your students. Workshops can be stand alone, or part of a series of sessions over several weeks.

Recycled Junk Percussion

Travel on a musical and sensory journey under the sea, discovering junk items to explore and develop into musical instruments. Our professional musician will help students develop a full recycled percussion performance from the instruments they have created. Our full recycled percussion kit and sensory seascape will be delivered to the school and be used throughout the workshops.

Creative Composition

Work with our professional musicians to explore a range of musical instruments and listening examples related to your chosen topic before creating and performing a brand new composition as a class.

Confidence in your Changing Voice

Study how the voice works and how it changes. This workshop includes voice-box craft, use of the voice and confidence building techniques. Transform the confidence and participation of your boys in singing!

Singing Sensations Workshop

Singing in the curriculum made easy - curriculum-seeds sown through singing. From rapping to singing, this is a workshop that can stand alone or can be built upon throughout the year. All you need is a smile.

Steel Pan Music Workshops With CultureMix

Taster workshops are an ideal way to introduce steel pan music to your school through a day of hands on introductory workshops with tutors and a full set of instruments provided.

Programmed to suit your school timetable each workshop covers the history and origins, basic playing techniques and learning a simple song for an optional assembly concert.

Key Stage 3

Our music technology specialists are able to run tailored projects to suit the needs of your students.

Music
Technology 

GarageBand

Explore the musical world of GarageBand, experimenting with virtual instruments, voice recording and loops before structuring your ideas into a composition to export and keep. Projects can be tailored to the interests of your students. We can provide half day or full day workshops or longer projects to suit your needs. We can further develop your students' skills using Logic or Cubase software. This project can also be run as an extra-curricular activity.

Starting from:
2 hour workshop
£210 

Our music technology specialists can also offer advice and support to help you get the best out of your equipment.

Steel Pan Music Workshops With CultureMix

Taster workshops are an ideal way to introduce steel pan music to your school through a day of hands on introductory workshops with tutors and a full set of instruments provided. Programmed to suit your school timetable each workshop covers the history and origins, basic playing techniques and learning a simple song for an optional assembly concert.

Key Stage 4/5

Soundstage Band Projects

We can provide support in:

- Coaching your students in their rock bands
- Producing a concert, including sound production
- Producing a recording

Choirs

Our singing strategy development co-ordinators can advise you on repertoire, vocal health, and rehearsal strategies. They are also able to run choirs and vocal ensembles for you, tailored to the needs of your students.

Ensembles

Whatever the level of your instrumentalists, our experienced band and orchestra directors can support the development of your ensembles. We are able to provide specialists in all instrumental areas who can direct ensembles at a high level. Culture Mix are also able to provide tutors for steel pan ensembles.

Music Production and Sound Recording

Lessons can be tailored to support your students in exam courses, including GCSE, A Level Music Technology, BTEC and RSL. Our teachers are experienced in using both Logic and Cubase.

We can also support you with making high quality recordings of exam coursework.

Live Music

Look out for our live streamed webinars and 'Learn it Live' events which will be advertised through our schools' newsletter.

SEN/Alternative provision

soundabout
make music change lives

SEN Schools

Berkshire Maestros works with a range of partners to provide bespoke projects in SEN schools. We are currently working with Soundabout. Other recent collaborations have included work with Open Orchestras and RPO Resound.

Using music and sound as a starting point, workshops are centred around communicating both musically and socially. Through a student led approach, the sessions develop week on week, allowing students to work on musical aspects such as rhythm, singing and call and response.

Workshops can be a sensory experience, focusing on how music feels to the individual. Small instruments, sound boards and fabrics are some of the resources used within each session. A tailored approach is crucial, with the practitioner able to work in collaboration with school staff focused on individual education plans.

[Click here](#) to see one of our projects in action.

“All the students were so engaged with the music. They were laughing and they just wanted to take the instruments and play with them”

Maria Rouco-Ferreiros, Thames Valley School

Alternative Settings and Pupil Referral Units

We are able to work with you to create a project that is pupil led and encourages your students to be creative, teaches and develops lifelong learning and skills, encourages positive challenge, and builds both personal and social confidence.

Through the interactive sessions, pupils learn and develop the skills needed to execute a successful performance of their choice. They will explore a variety of ‘popular music’ instruments, participate in lessons on their chosen instrument, discover the art of song writing and the hidden elements behind the worlds most celebrated music, and work with each other as a band, concluding with a self-designed performance of an original composition.

SEN/Alternative provision

We are currently running projects with iCollege Newbury, as well as Cranbury College Reading. We are looking to expand our work within the AP/PRU sector. We work closely in partnership with the wonderful team at Readipop. Through collaboration, support and communication, we can create bespoke, meaningful, musical experiences for a young person or group.

If you are interested and would like to enquire, please do get in touch with Jamie Baird (Jamiebaird@berkshiremaestros.org.uk).

In2Music for KS2

One, two or three term projects that enable children in KS2 to learn to play a musical instrument in a whole class setting. These projects are subsidised using Arts Council Funding.

In2Music projects can be tailored to meet the needs of pupils with SEND and SEMHD. Please contact Emma and Mark to make a bespoke plan for your setting.

“ Children from all backgrounds should have the chance to learn a musical instrument ”

National Plan for Music Education

Instrumental Tuition

We can provide individual instrumental tuition for pupils with SEN, SEMHD and other needs.

Our School Development Managers will work with you to create a tailored approach, focused on individual education plans.

£55 per hour
